

Items such as film should be bought ahead of time to save money. If you purchase a box camera, please put your name on the box.

It is your responsibility to have all parts of your uniform in good order before the trip. If you need help with parts of your uniform, please see your teacher. If you have your own garment bag, please use it, but make sure it is labeled.

REMINDERS:

Students will be limited to ONE suitcase and ONE carry on bag on the bus---NO EXCEPTIONS! We have a large group traveling and our space under these buses is limited. The suitcase must be one that you can carry. Garment bags for uniforms will be stored under the buses.
